The Backdrop Events is here to handle all of your catering needs. Whether it's a backyard get-together, wedding reception or anything in between.

We realize everyone has different budgets and expectations, so we will be sure to make your event special.

In House Catering

When you book an event at our venue, you can add catering to make your event perfect! Just Hors d'oeuvres or a 5 course meal - we can make it happen.

Off Site Catering

The Backdrop will be happy to add great food to your event at your location. You may choose the degree of service you want - from having us just drop off the food (togo boxes or pans) or full service set up, serve and clean up.
